**“Membership fees are currently
delivering value for money”**

95% of members agree

“YLP conferences focus well on identifying and communicating the key messages that affect members and identify key speakers from across the sector to raise awareness of key developments and topics”

100% of members agree

“What would be your preferred conference themes and speakers?”

“I think you cover the main issues”

“Continuing to focus on Ofsted, Sustainability, Funding changes and maximisation, Employer Engagement”

“End Point Assessment & Apprenticeships”

“The future of skills provision and support functions”

“Apps Policy and Workforce development/ Upskilling”

“Ofsted Preparation, Audit, Apprentice Journey, Funding Rules, Teaching Learning and Assessment, EPA”

“The ever changing face of education funding (apprenticeships, ESF>UKSPF, Skills Bootcamps, AEB). Senior staff from DFE and ESFA willing to be scrutinised by providers. As the Governments replacement for the ESIF fund, what does the Government have planned for UK Shared Prosperity Fund People & Skills pot, and what has been its impact so far? I would also like to hear from leaders of industry who are advocates of Apprenticeships, upskilling the workforce and supporting the unemployed into work.”

“How FE Colleges and ITP's can work together in shaping the skills landscape for everyone to benefit and for parents to understand local opportunities.”

“What workshops, CPD and webinars would you like to see moving forward?”

“More on AI”

“Building on the themes above, with detail”

“Future Plans and Skills Gaps”

“More on neurodiversity”

“Workshops on the above”

“Sector specific workshops”

“Which sector should receive more support? Key issues to address, roundtable discussions, areas to lead on etc.?”

“Perhaps more partnership working and facilitating between FE and ITPs; how to engage more effectively with employers”

“Early years”

“Manufacturing”

“All sectors that are funded and inspected to ensure as providers and colleges we are on the right track and can share good practice”

“Health Care”

“Priority sectors where growth (employment) opportunities can be secured”

“Which group or partnership needs more representation?”

“AEB could have a stronger focus”

“Maybe community sector”

“All”

“ITP's”
